

# NEW TEXT SERVICE

We're implementing a new text service to elevate your experience!

---

This new service will send friendly text reminders to you regarding your member account — allowing you to connect with Member Solutions customer service even faster — when most convenient for you.

---

If you would like more details about the service, or would like to update your communication preferences, please contact Member Solutions at 888.277.4408 or [cs@membersolutions.com](mailto:cs@membersolutions.com).
